## Course overview

- You only need to scan through the running magazines and forums to get an idea of how popular trail running is becoming. We have been offering these Alpine trail running camps for several years, to help people get into this fascinating and totally addictive sport.
- Our week long Alpine trail running camps are based in Chamonix, at the foot of Mont Blanc, as there are hundreds of kilometres of trails to choose from. We offer a great balance of running, coaching, and trail running advice, preparation and top tips.
- These training camps are open to anyone, but we suggest that you will get the most out of them if you are happy running up to 10km, or even a half marathon. If you are in any doubt as to if they will suit, then get in touch to get advice from one of the coaches.
- As well as enjoying a great week of trail running of c. 10 – 15 km a day, we aim to teach you the key safety skills for route planning and Alpine running, with a focus put on the selection of equipment and how to develop your training plans for trail running.
- Don't worry if you have never run trails before, as you will pick up the skills quickly with expert coaching and guidance. All you need is to be fit for regular running, to have a sense of humour, and to love the outdoors. We can teach the rest, and you are guaranteed a great holiday that you won't forget for a very long time.
- You are led & coached by a Personal Trainer, who is also an International Mountain Leader. Most importantly they will be a passionate trail runner who has competed in plenty of Alpine ultra-running races, including the legendary Ultra-Trail du Mont Blanc. You are running with a genuine expert in ultra-trail running.
- We genuinely believe that you'll spend more time actually running and in the mountains on our courses, than with anyone else, and that's how our whole focus, ethos, and itineraries are designed. Anyone who is leading you will be a finisher of one of the greatest trail races on the planet, such as the Ultra Trail du Mont Blanc, Tor du Geants or Leadville or WS100.
- Chamonix is blessed with hundreds of kilometres of trails over all types of terrain, from forest tracks to high alpages and mountain passes, and so the itinerary can be flexed on any day to take account of weather conditions, to ensure that you sample the best on offer. The itinerary given is to provide you with a taster of what you could achieve, and isn't fixed in stone.

- There are several other operators out there who also offer trail running camps, and we aren't afraid to advertise that fact. You will see that we don't offer talks from 'celebrity' runners, or go in for the chardonnay in a hot tub 'lifestyle', or quasi-scientific type of courses. Ours are simply run by people who do it, not talk the talk. The effect on our prices is that we can offer you great value. We genuinely believe that you'll spend more time actually running and in the mountains on our courses, than with anyone else.

## Sample itinerary

- **Sunday** - Travel to Chamonix to arrive for the 17:00 check-in followed by our course safety and itinerary briefings. There is time for kit checks or rental of equipment. Chamonix hosts accompany the group to pre-dinner drinks. Night in Chamonix.
- **Monday** - A classic trail run in Chamonix, such as up to Montenvers, and Signal Forbes above the Mer de Glace glacier basin, then across to Plan d'Aiguille, then the option of running down to Chamonix, or taking the cable car. The key focus of the day is to develop different running techniques for varied terrain types, especially how to run up the hills. Night in Chamonix
- **Tuesday** - The focus is on building your trail running skills in more mountainous terrain, and a great choice is a traverse of the Aiguilles Rouges nature reserve. Running to the glacial lakes of Lac Blanc and Le Cheserys are stunning viewpoints. If your legs are feeling slightly tired after the previous day, there are cable cars you can opt for (up and / or down). Night in Chamonix.
- **Wednesday** - Take the picturesque Mont Blanc express train from Chamonix to Vallorcine, and run a section of the Chamonix Mont Blanc marathon to Montroc or further to Le Tour. You can even divert and take in the Col du Balme, or even the Croix de Fer, just across the Swiss border. Alternatives are to traverse the Col du Salenton, or run up Mont Buet. Night in Chamonix.
- **Thursday** - A day running in Italy or Switzerland, to run on sections of the UTMB route. The day provides really different views of the Mont Blanc massif, and experience running in a different country. A popular option is running the UTMB / CCC route over the beautiful ridge of the Mont de la Saxe to visit the Rifugio Bonatti for a proper Italian hot chocolate! Night in Chamonix.
- **Friday** - A slightly longer trail run, to really put all the elements together that you have learnt over the week. Often the group opts for a more technical route, such as running the Chamonix Vertical Kilometre. If you've the energy, after a short rest, you could continue over the summit of Le Brevent 2525m, and down via the Bellachat mountain hut. Night in Chamonix!

## How to book

- All bookings are made securely online, and deposit of £250 is payable (with secure payments handled via WorldPay). Ensure that when completing the form, you fill in all the required fields, in order for the 'SUBMIT' button to appear.
- All payments are protected by our Tour Operator travel bonding with ATOL and TTA, and your monies are held in trust until after you have travelled home. You are fully financially protected, in accordance with UK and EU laws.
- Website link: <http://www.icicle-mountaineering.ltd.uk/booking.html>

## Before your trip

- As soon as you book online, you are sent confirmation of this, and attachments including joining instructions, course specific kit lists, and a separate WorldPay receipt. If you haven't received these two e-mails within half an hour of booking online, check your junk / spam folder.
- At the office, we manually check all bookings, and you'll also receive a personalised e-mail from us formally confirming your course space. Once you have this office confirmation, it's fine to go ahead and book your travel arrangements, and to arrange your activities insurance.
- Activities insurance is a requirement for all trip participants. Organise it as soon as you are booked, and ensure that it covers you for cancellation or curtailment, in case you injure yourself or get ill before your trip. This ensures you'd be fully reimbursed for the trip, and all travel costs.
- Website link: <http://www.icicle-mountaineering.ltd.uk/insurance.html>

## Travel to the Alps

- The closest international airport to Chamonix, is Geneva (airport code GVA). There are many direct flights from the UK every day, and it's well served by the budget airlines e.g. EasyJet.
- Geneva is a small but busy airport, and it's only a very short walk from baggage reclaim into the arrivals area, where all the airport transfer companies meet. In the Course Information Booklet is a code for preferential rates from our reliable transfer partner Mountain Dropoffs.
- Chamonix is also very easy to travel to by rail, from the UK to Paris via Eurostar, then from Paris Gare du Lyon (or Austerlitz) to Saint Gervais by high speed TGV, then the local train up the valley to the Chamonix Aiguille du Midi (or Chamonix central) stop.

- Driving can work out cheaper, if you're with others, and there's free parking close to the accommodation, on a first come first served basis. Generally a couple of laps, and a space will be freed up for you. See the Course Information Booklet map for the locations of this free parking.
- Website link: <http://www.icicle-mountaineering.ltd.uk/travel.html>

## Meeting point

- Once you've booked, you'll receive the Course Information Booklet, which details the meeting point for Chamonix course clients.
- If you want an address for your airport transfer, provide the Aiguille du Midi cable car, on Rue Lyret, 74400 Chamonix. The accommodation is situated in a pedestrianized area, so you cannot be dropped off at the door, and the cable car station, or Chamonix Sud bus station are the closest access points. If arriving on EasyBus, Ouibus, or Flixbus, these all arrive at the bus station.

## Course accommodation

- Most course clients stay in Chamonix in en-suite rooms, in a purpose built ski village in Chamonix Sud. These have a small kitchenette, for those wishing to self-cater.
- Check in time is from 16:00 (4pm) on the Sunday, and the meeting point to be shown into your accommodation is detailed in your Course Information Booklet, that is sent upon booking.
- The flats are normally twin rooms for two people sharing. If you are travelling as a couple (or named friends), you will share. If travelling on your own, you will be matched with another course client of the same sex.
- This accommodation is small and basic, to provide you low cost accommodation in Chamonix, but it is functional and really well located. If you wish to upgrade to higher quality accommodation, there is a £100 discount available for sourcing your own accommodation, which is applied to your invoice.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

## Course briefing

- The course briefing for this trip is at 17:00 on the Sunday evening. The Course Information Booklet will confirm the exact location for this briefing. When you attend the briefing, take your passport and activities insurance details, for these to be noted.
- The briefing takes about 45 minutes, and it aims to answer all your queries about the course.

- Attendance at the course briefing is obligatory, and you are asked to sign a copy of the Terms & Conditions. These are the same as those you accepted online when you booked, but it's for us to have a signed paper copy on record.

## Equipment checks

- Take any equipment to the briefing that you would like one of our guiding team to advise you about. For some people that may be very little, whilst others want to double-check a few bits of kit. It's always a good idea to take your boots and crampons, so we can check the fit for you.
- If you've your own safety equipment, it's worth having one of the team check this over for you.
- Note that if you require any hire equipment, or any kit that is loaned on a course, you need to attend the course briefing, as it's straight after this that is when it is allocated.
- Website link; <http://www.icicle-mountaineering.ltd.uk/hire.html>

## Late arrivals

- If they are pre-booked days ahead, we can accommodate late arrivals. We will organise for you to be able to check into your course accommodation at any time that you arrive. We do however ask you to assess how necessary a late arrival is, and for you to consider the disruption to your flatmate.
- You will require a separate Course Briefing, which involves an early start for our team, to fit this in before your guiding. It's not an ideal start to schedule a late arrival, followed by an early start, and sets you on the back foot. If an early Course Briefing is required, this is billed at £20 for time involved.

## Cable cars

- For the days you are climbing in Chamonix, the most cost effective cable car pass is called the Mont Blanc multi-pass. For this course you require a 3 day pass, from Monday to Wednesday (plus extra days if you arrive earlier). The 3 day pass costs 89.50€ (\*2020 prices).
- Website link: <https://www.montblancnaturalresort.com/en/montblanc-multipass>

## Breakfasts

- When you are in town and accommodation is included on a B&B basis, a starter pack of continental breakfast supplies is provided; fruit juice, milk, cornflakes, muesli, marg, jam, biscuit toasts. Tea and coffee is also provided. In a mountain hut, you get a similar type of light breakfast.

- As the room is self-catering, it's yours for the week, so no need to check out when you are away in mountain huts. Should you use up any items from your breakfast or room supplies, there's a supermarket located just across the pedestrian square from the course accommodation.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

## Lunches & drinks

- Everyone has their own idea of what they would like for lunch whilst in the mountains, varying from a stack of Mars bars to a large ham sandwich. For this reason we let you choose your own lunches, which may be easily purchased locally from shops and supermarkets.
- You will be advised in the briefings as to how many days lunches you should plan ahead and purchase. There is never time to cook hot lunches while on a course, but you could take a thermos.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

## Evening meals

- In town clients normally take advantage of the excellent variety of local restaurants, and also the town's bars to celebrate week's achievements. We are also happy to book places in restaurants for you, should you wish an evening on your own.
- Some clients want an early night or to budget, so opt to cook for themselves in the self-catering flats. In guardianned huts, the cooked evening meal is normally three courses.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamonix.html>

## Mountain huts

- Mountain Huts are run by a 'Guardian' who cooks, cleans and is on hand for your assistance. On most courses, the itineraries detail a specific number of nights in mountain huts.
- Clients share rooms, which often are on tiered bunks. Each person is allocated a mattress with its own pillow and blankets, but you should take a sleeping bag liner for comfort.
- There are normally storage / drying rooms. Meals are on a half board basis, with a basic continental breakfast and a three course cooked evening meal. Any extras you order, such as bottled water, beer or wine, packed lunch, or chocolate, must be paid for by you.
