## Course overview

- The Haute Route route between the two historic mountain centres of Chamonix and Zermatt stretches for 114 miles and there is between 13,000m to 14,000m of ascent and descent taking you through some of the most famous landscapes in the Alps.
- Throughout the week you are surrounded by stunning 4000m peaks, and the ski tour provides a challenge that many people repeat several times during their lives. It will appeal to those wishing to escape the hustle and bustle of the Alpine valley towns and ski slopes.
- This course is ideal for those seeking a challenging ski tour, with the opportunity to use some mountaineering techniques, such as an ascent on crampons or an abseil. All roped techniques will be taught during the week, so don't worry if you are a ropework or climbing virgin!
- Skiing ability should be fairly good as although there is only a little steep skiing, the slopes can be icy or rutted in places, with breakable crusts. There is also often more than a little powder on the descents! You will encounter most types of snow conditions.
- As this tour is continuous, it is quite physically demanding and requires a good level of fitness. Good stamina will make the route easier and more enjoyable as it involves six days of skiing at altitude with a pack, though note the pack should be 35-40 litres maximum.

## Sample itinerary

### Sunday - Arrival day in Chamonix

Travel to Chamonix to arrive for the 17:00 check-in followed by and course and itinerary briefings. There is time for kit checks or rental of kit. Chamonix hosts accompany the group to pre-dinner drinks. Night in Chamonix.

### Monday - Day 1 of ski tour, Grands Montets & Argentiere hut

You meet your guide in the morning, and have a final equipment check, before setting off to the Grands Montets ski area to ski a quick shake down run to test your equipment, before taking the top lift. From here you ski down onto the Argentiere glacier, and across to the hut. The backup plan if strong wind closes the cable car, is to skin to the hut Argentiere hut from Lognan.

Online: [shop.icicle-mountaineering.ltd.uk](http://shop.icicle-mountaineering.ltd.uk)

### **Tuesday - Day 2 of ski tour, Col du Chardonnet & Champex-Lac**

The first of many Alpine starts, to take advantage of the overnight refreeze, for the long ascend up to the Col du Chardonnet, either on skins or crampons, with the potential of a lower or abseil from the top. The route takes you on a traverse past the Trient hut to the short steep ascent over the Col des Ecandies, before the exhilarating ski down the remote Arpette valley. The night is spent in a hut / gite close to Champex-Lac.

### **Wednesday - Day 3 of ski tour, Le Chable & ski to Prafleuri hut**

After an early breakfast, you take a short transfer by road to Le Chable, then ascend the Verbier cable cars. Here you ski past the Montfort hut and cross the Cols de la Chaux and Prafleuri, and possibly ascend the summit of the Rosablanc on the way. The night is spent in the Prafleuri Hut. If there was bad weather on the first day, an alternative is to ski to the Trient hut on the first day, then to reach the Prafleuri on the second day. Flexibility has been built into this itinerary, to make every attempt to help make it happen.

### **Flexibility - We select from two options of route for the following days**

The itinerary for the next three days of the Haute Route is more flexible to allow for variations caused by the prevailing conditions. Our preferred route is Plan A, and our contingency option is Plan B. Our focus is making the ski tour happen for you, not sticking avidly to a pre-prescribed itinerary. We hope you appreciate our highly flexible approach, as we believe it is essential to improve your chances of success, and it really differentiates us...

#### **Plan A...**

#### **Thursday - Day 4 of tour, to Dix hut**

Set off very early today, to make the East facing traverse across above the Lac de Dix from the Prafleuri Hut, before the heat of the sun increases the avalanche risk too high. At the far end of the lake you skin upwards to reach the stunningly situated Dix hut, high above the lake.

#### **Plan B...**

#### **Thursday - Day 4 of tour, to Arolla**

Follow the same route to the head of Lac de Dix, before traversing left then ascending to the newly installed ladders to cross the Pas de Chevre to descend to Arolla, Switzerland. Night in a hotel in Arolla, a much welcomed element of luxury mid-week to ensure you are well fed and rested.

### **Friday - Day 5 ski, Dix to Vignettes**

Ski from the Dix hut to the Vignettes, via the Pigne d'Arolla 3790m, the highest summit on the Haute Route. The ski down to the hut is generally one of the best descents on the ski tour. The summit is obviously weather / conditions dependent. This day is one of the visual highlights! Night in hut.

### **Saturday - Day 6 ski, Hut - Zermatt**

Your final Alpine start of the week, to set off from the Vignettes. This is a 30km day with 3 cols to cross; Eveque, Mont Brule and Valpelline. It takes most groups between 8 to 10 hours to reach Zermatt, and you ski on 7 different glaciers in the day. Quite a fitting finale to the Haute Route!

### **Saturday afternoon - The ski routes converge as you approach Zermatt**

As you ski down the glacier below the immense North Face of the Matterhorn, you finally reach the pistes, and ski into Zermatt. Then it's time for a celebratory beer with your guide, to toast the weeks achievements. Catch the train to Tasch, then minibus transfer to Chamonix, which takes c.2 hours. There's time to return any hired ski equipment back to the shop, then in the evening you can go out in town to celebrate more and perhaps have a good meal of hearty savoyard food to replace some of the calories you've burnt off, and enjoy your last evening in the Alps. Night in Chamonix.

### **Sunday – Check out and departure**

Breakfast, then accommodation check out at 10:00, then depart for home.

**ITINERARY NOTES:** Where possible we follow itineraries. Mountain adventures are weather and conditions dependant, so occasionally we are forced to alter the plans. If this is the case, suitable alternatives are offered. Please use this outline as a guide to the types of activity that you will attempt.

### **Friday - Day 5 ski, Arolla to Bertol**

Ascend from the Arolla valley up to Bertol Hut on skins. This is a big height gain, but the day is not especially long. Upon arriving beneath the hut, you are faced with a series of ladders and cables to ascend to reach the hut that is perched on the top of the ridge, in an amazing location. Night in hut.

### **Saturday - Day 6 ski, Hut - Zermatt**

An early start for the last section of skiing on the ascent of Tete Blanche from the Bertol Hut, then descend to Zermatt past the Matterhorn. This is a big day of skiing, but most of it is downhill, which will be a welcome relief, before you finally pick up the pistes to descend to Zermatt.

## Before your trip

- As soon as you book online, you are sent confirmation of this, and attachments including joining instructions, course specific kit lists, and a separate WorldPay receipt. If you haven't received these two e-mails within half an hour of booking online, check your junk / spam folder.
- At the office, we manually check all bookings, and you'll also receive a personalised e-mail from us formally confirming your course space. Once you have this office confirmation, it's fine to go ahead and book your travel arrangements, and to arrange your activities insurance.
- Activities insurance is a requirement for all trip participants. Organise it as soon as you are booked, and ensure that it covers you for cancellation or curtailment, in case you injure yourself or get ill before your trip. This ensures you'd be fully reimbursed for the trip, and all travel costs.

## Travel to the Alps

- The closest international airport to Chamonix, is Geneva (airport code GVA). There are many direct flights from the UK every day, and it's well served by the budget airlines e.g. EasyJet.
- Geneva is a small but busy airport, and it's only a very short walk from baggage reclaim into the arrivals area, where all the airport transfer companies meet. In the Course Information Booklet is a code for preferential rates from our reliable transfer partner Mountain Dropoffs.
- Chamonix is also very easy to travel to by rail, from the UK to Paris via Eurostar, then from Paris Gare du Lyon (or Austerlitz) to Saint Gervais by high speed TGV, then the local train up the valley to the Chamonix Aiguille du Midi (or Chamonix central) stop.

- Driving can work out cheaper, if you're with others, and there's free parking close to the accommodation, on a first come first served basis. Generally a couple of laps, and a space will be freed up for you. See the Course Information Booklet map for the locations of this free parking.

## Meeting point

- Once you've booked, you'll receive the Course Information Booklet, which details the meeting point for Chamonix course clients.
- If you want an address for your airport transfer, provide the Aiguille du Midi cable car, on Rue Lyret, 74400 Chamonix. The accommodation is situated in a pedestrianized area, so you cannot be dropped off at the door, and the cable car station, or Chamonix Sud bus station are the closest access points. If arriving on EasyBus, Ouibus, or Flixbus, these all arrive at the bus station.

## Course accommodation

- Most course clients stay in Chamonix in en-suite rooms, in a purpose built ski village in Chamonix Sud. These have a small kitchenette, for those wishing to self-cater.
- Check in time is from 16:00 (4pm) on the Sunday, and the meeting point to be shown into your accommodation is detailed in your Course Information Booklet, that is sent upon booking.
- The flats are normally twin rooms for two people sharing. If you are travelling as a couple (or named friends), you will share. If travelling on your own, you will be matched with another course client of the same sex.
- This accommodation is small and basic, to provide you low cost accommodation in Chamonix, but it is functional and really well located. If you wish to upgrade to higher quality accommodation, there is a £100 discount available for sourcing your own accommodation, which is applied to your invoice.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

## Course briefing

- The course briefing for this trip is at 17:00 on the Sunday evening. The Course Information Booklet will confirm the exact location for this briefing. When you attend the briefing, take your passport and activities insurance details, for these to be noted.
- The briefing takes about 45 minutes, and it aims to answer all your queries about the course.

- Attendance at the course briefing is obligatory, and you are asked to sign a copy of the Terms & Conditions. These are the same as those you accepted online when you booked, but it's for us to have a signed paper copy on record.

## Equipment checks

- Take any equipment to the briefing that you would like one of our guiding team to advise you about. For some people that may be very little, whilst others want to double-check a few bits of kit. It's always a good idea to take your boots and crampons, so we can check the fit for you.
- If you've your own safety equipment, it's worth having one of the team check this over for you.
- Note that if you require any hire equipment, or any kit that is loaned on a course, you need to attend the course briefing, as it's straight after this that is when it is allocated.
- Website link; <http://www.icicle-mountaineering.ltd.uk/hire.html>

## Late arrivals

- If they are pre-booked days ahead, we can accommodate late arrivals. We will organise for you to be able to check into your course accommodation at any time that you arrive. We do however ask you to assess how necessary a late arrival is, and for you to consider the disruption to your flatmate.
- You will require a separate Course Briefing, which involves an early start for our team, to fit this in before your guiding. It's not an ideal start to schedule a late arrival, followed by an early start, and sets you on the back foot. If an early Course Briefing is required, this is billed at £20 for time involved.

## Cable cars

- For the days you are climbing in Chamonix, the most cost effective cable car pass is called the Mont Blanc multi-pass. For this course you require a 3 day pass, from Monday to Wednesday (plus extra days if you arrive earlier). The 3 day pass costs 89.50€ (\*2020 prices).
- Website link: <https://www.montblancnaturalresort.com/en/montblanc-multipass>

## Breakfasts

- When you are in town and accommodation is included on a B&B basis, a starter pack of continental breakfast supplies is provided; fruit juice, milk, cornflakes, muesli, marg, jam, biscuit toasts. Tea and coffee is also provided. In a mountain hut, you get a similar type of light breakfast.

- As the room is self-catering, it's yours for the week, so no need to check out when you are away in mountain huts. Should you use up any items from your breakfast or room supplies, there's a supermarket located just across the pedestrian square from the course accommodation.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

## Lunches & drinks

- Everyone has their own idea of what they would like for lunch whilst in the mountains, varying from a stack of Mars bars to a large ham sandwich. For this reason we let you choose your own lunches, which may be easily purchased locally from shops and supermarkets.
- You will be advised in the briefings as to how many days lunches you should plan ahead and purchase. There is never time to cook hot lunches while on a course, but you could take a thermos.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

## Evening meals

- In town clients normally take advantage of the excellent variety of local restaurants, and also the town's bars to celebrate week's achievements. We are also happy to book places in restaurants for you, should you wish an evening on your own.
- Some clients want an early night or to budget, so opt to cook for themselves in the self-catering flats. In guardianned huts, the cooked evening meal is normally three courses.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamonix.html>

## Mountain huts

- Mountain Huts are run by a 'Guardian' who cooks, cleans and is on hand for your assistance. On most courses, the itineraries detail a specific number of nights in mountain huts.
- Clients share rooms, which often are on tiered bunks. Each person is allocated a mattress with its own pillow and blankets, but you should take a sleeping bag liner for comfort.
- There are normally storage / drying rooms. Meals are on a half board basis, with a basic continental breakfast and a three course cooked evening meal. Any extras you order, such as bottled water, beer or wine, packed lunch, or chocolate, must be paid for by you.
